SIR,

Re G O No.L.2509-12/C M. 35-52-109 dated 25-5-53 - Clarification sought for

As desired in your letter No L 5953 of the 22nd August 1955, I enclose herein a copy of my letter of even number dated 1-2-1955 and subsequent reminder of 28-6-1955 for favour of early clarification

In this connection it may be stated that the pay of the sweepers and scavengers of the Civil area was a fixed one, Rs.12/- for males and Rs.11/- for females and gratuity was calculated at a months pay for every two years of service subject to a maximum of 12 months pay When the scales of pay of the City officials were introduced to Civil area from 1-12-1948, the pay of the sweepers and scavengers of the Civil area was revised to a time scale of 18-½-22 both for males as well as for females Since the Government order referred to above is not specific as to what stage pay has to be taken for calculation of gratuity, clarification has now been sought for As regards superior service, the pay at the time of retirement is taken as the basis for calculation of gratuity The sweepers and scavengers are poor employees engaged on very strenuous and dirty type of work and it is but fair to allow them some substantial benefits at the time of their retirement Hence I feel that the pay drawn at the time of retirement of the sweepers and scavengers may be taken for purposes of calculation of graruity

Yours faithfully,

(D R Chennarudraiya,)
